Report of Home Demonstration Clubs Activities

"Today's Home Builds Tomorrow's World" is the theme of the 10th Annual National Home Demonstration Week to be observed May 1-7. There are 1,468 Home Demonstration Clubs and 34,043 club members. Thousands of homemakers throughout the nation will itake part in this work.

The home demonstration work is an educational program of the Cooperative Extension Service of the U. S. Department of Agriculture, the land grant colleges, and county government. Through this work, we homemakers learn to apply the latest scientific methods developed by research. The aim of this program is to strengthen family and home life and to aid us in becoming more efficient homemakers and better citizens.

Through these programs we receive the latest reliable information on clothing, housing, health and safety, home furnishing and management, garden, poultry, food and nutrition, family economics, family relationship, citizenship, art recreation and many others.

The district meeting is usually held during National Home Demonstration Week, but this year it was decided that it would not necessarily be during that week. This made it possible for more of our Extension Workers and state officers to attend the 12 District Meetings.

Appomattox County was well represented at District III Federation of Home Demonstration Clubs which was held at Halifax on Wednesday, April 27. District III is composed of the counties of Prince Edward, Campbell, Charlotte, Halifax, Amherst, Pittsylvania and Appomattox. Those from Appomattox who participated in the porgram were: Mrs. F. F. Carr, President of the Virginia Federation of Home Demonstration Clubs; Mrs. John C. Cole, County Terasurer, who presented "Pennies for Friendship" Mrs. E. Carter Martin, who acted as Secretary for District III, and Mrs. E. K. Martin, County Chairman and gave the county report.

The highlights of Appomattox County Home Demonstration Program for lass year (Federation Goal work not included):

Appomattox County has been very nutritious conscious since the survey was made in 1951 and much has been done to improve nutrition in our families. Demonstrations were given on: 1. Palnning meals for the family. 2. Sandwiches for working people. 3. Making the best use of the home freezer. 4. Low calorie desserts. 5. Simple and nutritious soups. 6. Underweight, overweight, and corrections.

Three leader training meetings were led by food specialists from V. P. I. to train leaders. Many members used the information gained on meal planning, freezing foods, preparing lunches, making low calorie desserts. We feel as a result of these demonstrations our families have been better fed, with a more nutritious diet than ever before. The specific result of the demonstration on underweight, overweight, causes, effects and corrections, was the organizing of a Tops Club. "Take Pounds Off Safely." A film, Weight Reduction Through Diet was shown. Miss Mary L. Thompson, Associate Food Specialist, V. P. I. spoke on the importance of a well balanced diet. Each woman talked with her family doctor and he recommended the amount of weight she should lose.

Some facts about the Tops Club are:
36 women attended the first meeting
33 of these enrolled
33 of these came back to 2 or more meetings
20 continued the meeting
2 lost more than 30 pounds
1 lost 17 pounds
1 lost 16 pounds
2 lost 14 pounds
5 lost 9 pounds.
During the 16 weeks 2 completed the goal.
Along another line of work leaders were trained by Miss Ruth Jamison, House Furnishings Specialist of V. P. I. on "What is Good Design," use of accessories, Window Importance, and treatment including draw drapes. Many members reported improving windows by use of curtains or drapes and improving color schemes. Two club members reported building new homes and 33 reported doing some remodeling and repair. Ten members installed water systems; 38 cleaned and adjusted sewing machines; 58 reported improved garment instructions.

One thousand six hundred and thirty-eight new garments were reported made; 242 garments were remodeled; 30 hats cleaned and remodeled.

Other club activities were:
1. Appomattox County entertained the District Meeting last May.
2. We sent 6 representatives to the state meeting in Blacksburg.
3. Each club made a contribution to the continuing Educational Center by having specific money-making events. One club had a Strawberry Festival. We gave $313.-50.
4. A larger number of club members are serving as 4-H Club leaders.
5. We have reached more young homemakers—16 have joined.
6. Appomattox County club members furnished and served lunches to the Bloodmobile Unit 3 times and served refreshments to blood donors 3 times.
7. Club members helped in the county chest X-ray clinic.
8. We helped secure blood donors.
9. Each club held picnics in August for members and their families and recreational meetings at Christmas.
10. We made several radio talks.
11. One club had an all - day meeting on first aid, which was conducted by our county Health Nurse, Miss Hilda Cabiness. Films were shown by the County Librarian, Miss Mary Rives Black.
12. A film on cancer was shown in all clubs.
13. A Home Nursing course was taught in the county, Miss Hilda Cabiness, County Nurse, and chairman of the Red Cross Home Nursing Committee, and Mrs. B. G. Anderson, our Home Agent, and also a member of the Home Nursing Committee arranged for the course. Miss Mary Waples, a Red Cross representative, taught the class. 15 women enrolled
7 were club members
60 women reported having a health examination.
14. All clubs paid County and State Federation dues and contributed to CROP and Pennies for Friendship.
15. Night meetings have been held in some clubs in order to reach more homemakers.

All clubs that participated in the Simple Refreshments and Educational exhibits at the fair won prizes.

Many of our members exhibited in handicraft and the things we have made minimum trays, rugs, mats, belts, cork mats, mats, results, caneing and bottoming of chairs.

While every section of the county has been reached we feel there are still many homes to be reached.

Mrs. R. E. Hamlett,
Appomattox County Club Agent.

News Around Town

By Mrs. Calvin Robinson

I laughed at this one:

At the close of a rather long Sunday service, a little old lady approached the minister, extended her hand and said, "Reverend, I really must apoolgize for dozing just a little during your fine sermon." But she concluded stoutly, "I want you to know I didn't miss a thing."

—Chloe D. Goodman.
